We believe that translation is the mother of all human arts that help bring people closer to each other. It plays a fundamental role in transferring content to and from cultures.

The translation is a tool that determines whether the culture is perceptive or productive.

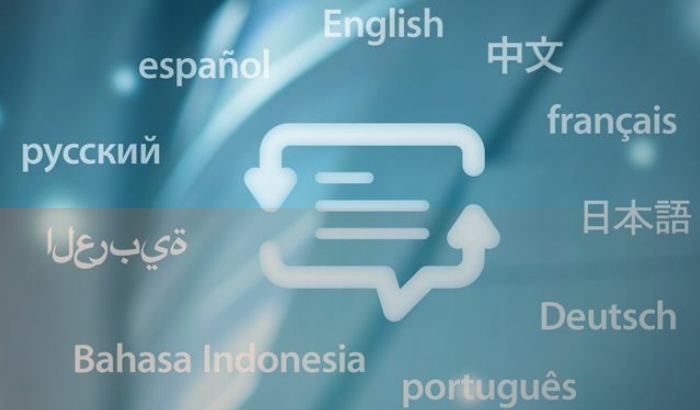

OUR MISSION

We at HCDMena, strive to excel with our services and keep pace with modern requirements, to deliver high-quality translation services and distinctive content that combines simplicity and creativity.

We aim to have a distinguished position at the forefront of successful translation agencies.

OUR SERVICES

HCDMena Language Services provides high-quality translation services to companies, government agencies, and non-profit organizations. With more than 25 years of experience, we have translated thousands of financial, legal, medical, and technical documents. HCDMena only works with translators with a track record of success to achieve the highest quality human translation.

OUR SERVICES

GENEREL

Our team can translate material across multiple industries and disciplines: website content, research papers, technical journals, financial records, legal documents, e-learning scripts, brochures, games, e-commerce platforms, and much more. No matter the need, our translators will meet your exacting standards of accuracy and quality.

OUR SERVICES

Academic

HCDMena can meet your academic translation needs. We handle complex scientific and technical translation in Arabic, English and French languages, and we assign each project to a translator with a background in that field of study.

OUR SERVICES

Business

The success of your international business depends on how well you communicate with customers, clients, partners, and staff in other countries. You need business translators with the right skills to convert your white papers, cover letters, human resources manuals, and other corporate documents into your target languages.

OUR SERVICES

Medical

If you're looking for a medical translation company that's accurate, fast, flexible, reliable, and trustworthy, look no further than our team. HCDMENA provides accurate medical translation services for hospitals, clinics, and other healthcare institutions all over the world. We are dedicated to providing the best medical translation services.

OUR SERVICES

LEGAL

WE translate a range of legal documents, including partnership agreements, waivers of liability, contractor agreements, power of attorney forms, and more.

OUR SERVICES

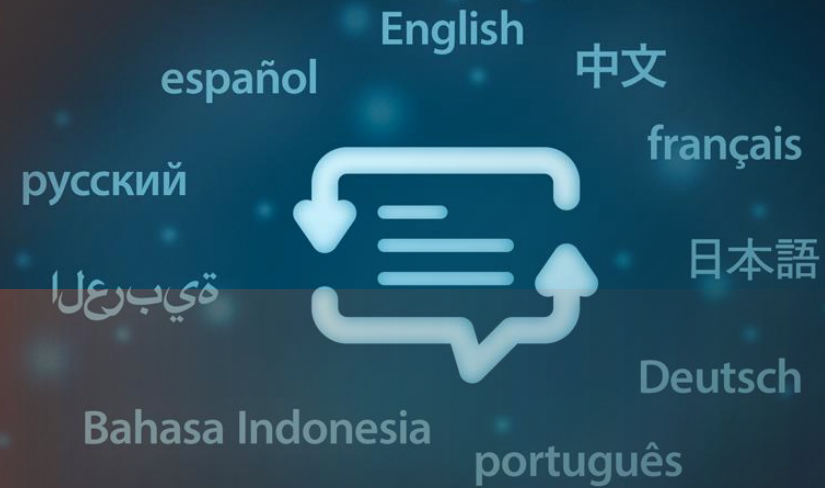

LOCALIZATION

If you're looking to expand your business into a foreign market, we can adapt your software, websites, and other content for specific countries and regions.

OUR SERVICES

Subtitling

When you need an experienced team to produce subtitles for you or simply translate your existing captions, we stand ready. Our translators can work with any subtitling file format, including SRT, SBV, SSA, and others, and we will collaborate with you to customize the typeface, size, and color of your subtitles and optimize the viewing experience for your audience.

Our work is 100% confidential. You can be assured your translation will be delivered to you securely and on time.
